

Instructions For Users with More than One Account in DCPDS

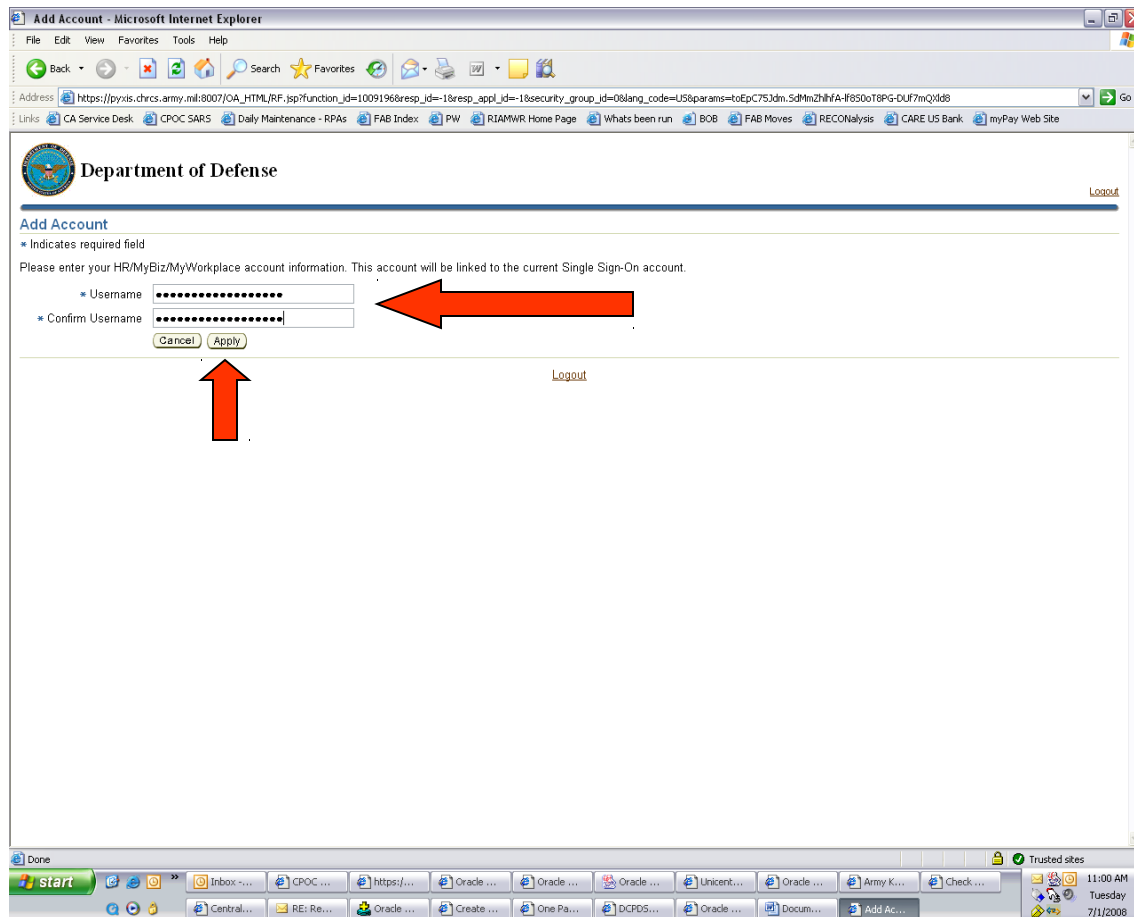

1. From the Department of Defense Navigator screen, click preferences in the upper-right hand corner.

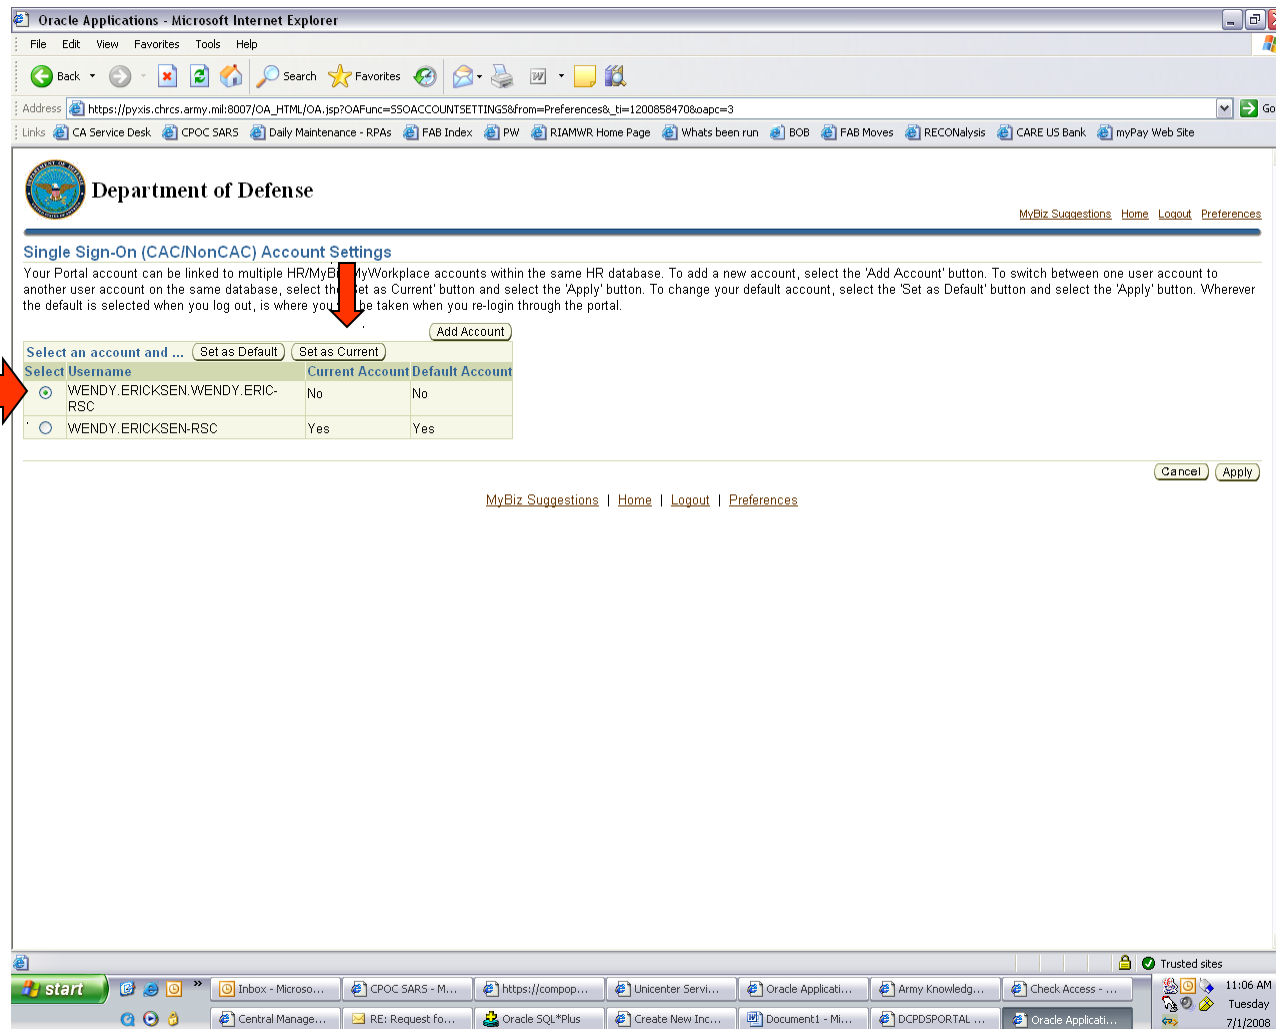

2. Click on the Account Settings button on the right hand side.

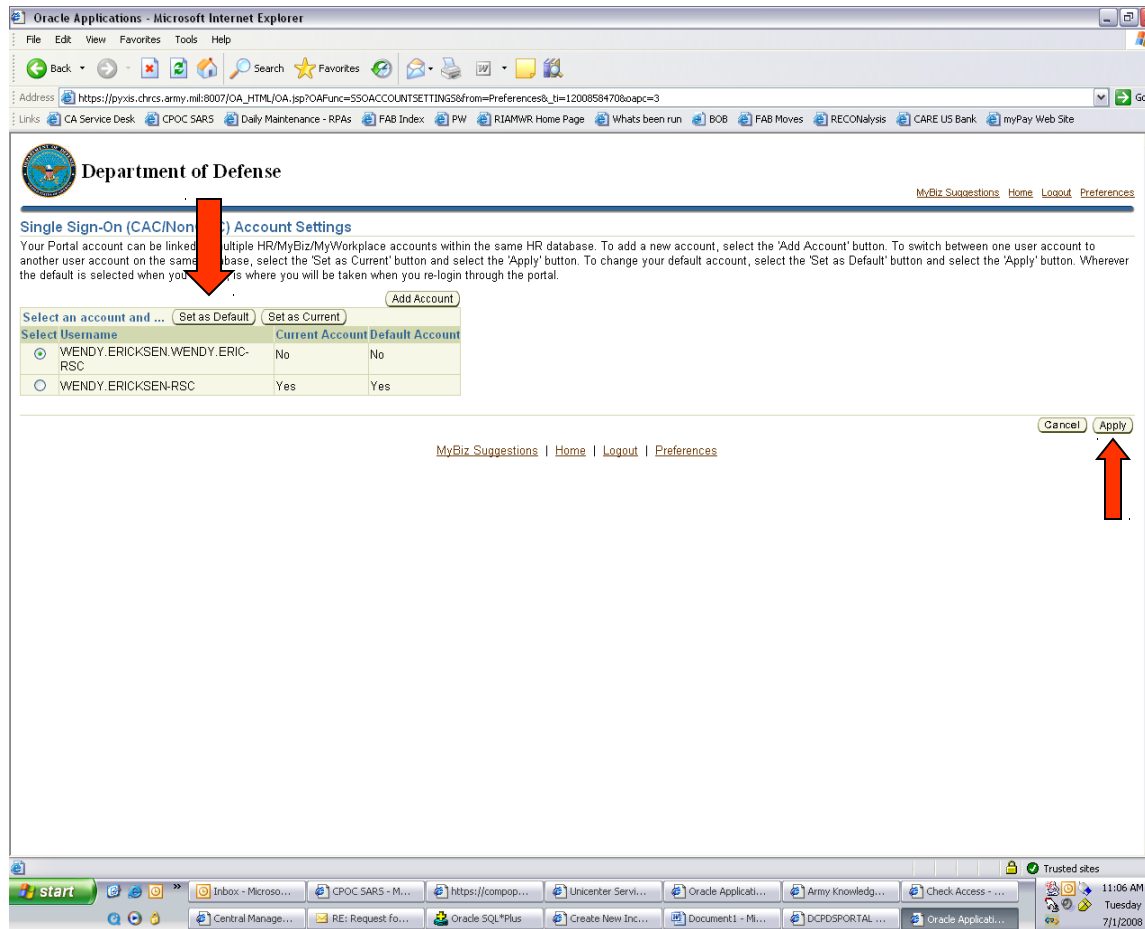

3. Click on Add Account

4. Enter and confirm username. Click Apply.

5. Select the radial button next to the user ID you wish to use and then click 'Set as current'. This will take you to your navigator menu for the selected ID.

6. You will also need to go back in to set the username as the “default”. Make sure you click “Apply” when done.
